It's shaving cream time!

It's time once again for shaving cream battles at Choral Camp. But have you ever wondered what's actually in the stuff? Well, I'm not really sure. But I can tell you which parts of shaving cream are bad for you. As you eat shaving cream, try to avoid the fatty acid alcohol, amine soaps, and stearic acid.

If you do eat shaving cream, you should drink lots of milk or water. *The Illustrated Health Encyclopedia* says that shaving cream is relatively non-toxic; recovery is very likely. Vomiting, however is also likely. So the contents of your stomach may be forced up through the esophagus and out of the mouth. So enjoy the fight!

Tuesday's Menu

Breakfast: scrambled eggs, bacon, toast, orange juice, coffee, milk

Lunch: sloppy joes, potato salad, fruit, brownies

Dinner: macaroni and cheese, green beans, jello salad, cookies

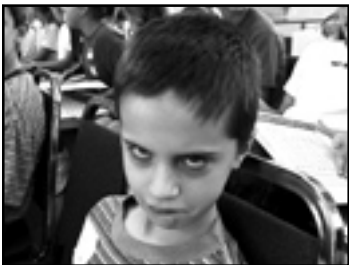

Joke of the Day

Q: Why didn't the mouse cross the road?

A: Because it was held back by the chord.

Funny Face Contest

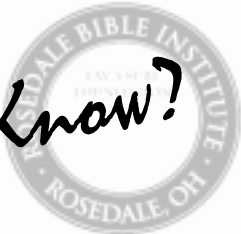

blank space

The answer to yesterday's *Question of the Day* is: Ryan Freed and Kris Shirk. They met last year at Choral Camp and have been a model of dating bliss ever since.

Did You Know?

... that you can attend Rosedale Bible Institute for about \$6000 a year? That might seem like a lot, but the cost is only half of what most other colleges charge.

Psalm of **108:1-5** the Week

My heart is steadfast, O God;
 I will sing and make music with
 all my soul.
 Awake, harp and lyre!
 I will awaken the dawn.
 I will praise you, O Lord, among the
 nations;
 I will sing of you among the peoples.

For great is your love, higher than the
 heavens;
 your faithfulness reaches to the
 skies.
 Be exalted, O God, above the heavens,
 and let your glory be over all the
 earth.
