## 2018-19 Academic Year

SEOG funds will be disbursed as follows:

### EFC #

0	\$1000/year (full time - \$400 per semester, \$200 for winter term) (3/4 time - \$300 per semester) (1/2 time - \$200 per semester, \$100 for winter term) (1/4 time - \$100 per semester)

EFCs above 5328 are not eligible for SEOG.

Beginning with fall semester, SEOG will be disbursed according to the hours enrolled. It will be allocated to all eligible students beginning with the lowest EFCs to the highest eligible EFCs.

Students entering, or completing, the financial aid application process after the start of fall semester will only receive SEOG if there are remaining funds to disburse.

### **Remaining Funds**

The financial aid office may choose to carry forward up to 10% of the remaining funds to the next school year. Any SEOG funds remaining until the mid-point of spring semester will be disbursed among currently enrolled full-time SEOG-eligible students. The minimum award amount will be \$100. Funds will be awarded to the lowest EFC until SEOG is exhausted. If not enough funds are available to award all eligible students the minimum award amount, the students with the lowest EFCs will be awarded first.
