A Student Ad Hoc Committee has been appointed to initiate the student phase of the Fund Drive. Three students are on this committee; namely, Randy Schmucker, Phyllis Miller and Tim Miller.

The goal set for the student phase of the fund drive is \$50,000.00. During the Christmas vacation they brought in \$12,000. which was \$2,000. more than the goal for that term break. Adding a student offering, bake sale and money earned from carrying CHOICE books to the new Missions Office, their total now stands at \$12,971.12.

During this term break students are again encouraged to donate several days' wages in a fund-raising effort. Various activities are being planned for the fourth term including another bake sale, a spaghetti dinner and student work days.

The Missions Office has moved to their new building and the bookstore has been moved to the room vacated by the Missions Office. This gives us one more room for a classroom.

Another change this year is in the lunch line at noon. We are eating in two shifts at noon, which alleviates some of the overcrowding and long lunch lines.

Because of the fuel shortage and the truck strikes, the three Gospel Team itineraries were cancelled for this term break. Teams had been scheduled to give programs in three areas: The New England States; West Virginia-Virginia; and Kentucky, Tennessee-North and South Carolina.

The Rosedale Chorale is following the planned schedule of a Pennsylvania-New York-Ontario-Ohio tour. The Chorale is under the direction of Lloyd Kauffman.
