## Choral Camp (S)Cream!

## Somniloquy\* at Choral

By Jennica Stoltzfus

It was late at night when all, or most, of the Choral Campers were sound asleep. However, in Room 9 of Handel Hall things were about to change for Hope Taylor, Milla Reed, Hannah Kutz and Mindy Beam—all at the hand of their roommate, Natalie Myers.

"First, she started murmuring," said Hope, "then she turned violent and threw shoes, backpacks and shampoo bottles."

Natalie's roommates also said she broke a fan and inquired about General Hennerly (whoever that is!).

In addition, Natalie asked where her friend Morgan was and wanted to babysit one of her roommates, since her mother was absent.

"I gave her my ice pack," said Hannah, "and she said, 'I don't want a PopTart!'"

Natalie's sleepwalking antics continued the next night. "She kept saying, 'I don't feel pretty,'" said one roommate. "I told them to tell her, 'You're gorgeous!'"

Natalie's response? "I'm not George! Who's George?" Hannah brushed her hair to calm her down, but it didn't work.

As upsetting as all this might seem, the

girls of room 9 seemed delighted by the whole affair and are looking forward to another night of "What will she say next?"
