## Campers, we'll miss you! Come back next year!

### Bethany says goodbye to her friends

Bethany Barkdoll  
Choral Camp Coordinator extraordinaire

Dear Choral Campers,

I can't believe we made it to the end of camp already! I am so inspired by your hard work and great attitudes this week. Choral Camp has always been my favorite part of the summer, and I hope it was a favorite of yours this year! It's amazing to me how so many kids from so many different parts of the country come together every summer to sing and make music together. Hope to see you all again next year!

Bethany Barkdoll  
Choral Camp Coordinator

*Did you know that you can go to college on the Choral Camp campus? You can even graduate, like Bethany did. If you've learned to sing really well, you can tour with the Rose Dale Chorale. Ask Ken Miller—he's the Chorale director.*

## Beware of ninjas bearing grape juice

When asked how he would take over the world, the white-hooded ninja said, "I would create a grape-juice-cloning machine and dump all of the grape juice in the ocean, and flood the world with grape juice." So if you see a ninja running around with an innocent cup of grape juice, be afraid. Be very afraid.
