## Fun things to know about tigers\*

Tigers are the largest wild cats in the world. Adults can weigh up to 363kg (800 lbs.) – that's about the same as 10 ten-year-olds! – and measure up to 3.3m (10.83 feet)!

Tigers are carnivores, eating only meat. They mainly feed on large mammals such as deer, wild pigs, antelope and buffalo.

Tigers are solitary hunters and generally search for food alone at night. They quietly stalk their prey until they are close enough to pounce – then they kill their victim with a bite to the neck or back of the head. Ouch!

Unlike most members of the cat family, tigers like water. They are good swimmers and often cool off in pools or streams.

When a tiger wants to be heard, you'll know about it – their roar can be heard as far as 3 kilometres (1.86 miles) away.

## Greetings, campers!

### Hello from Collette, the Unflappable

Hello Campers! Welcome to Choral Camp 2018! We are so excited that you chose to spend part of your summer here learning about music and the love of God.

God instructs us in the Bible to make a joyful noise to him and that's what this camp is all about. Our goal is to

help you find ways to bring that joyful noise to God and to have fun while doing it!

So whether you're feeling a little nervous or you can't contain your excitement, I hope this week goes very well for you and that when it is all over your heart will be singing to God!

Like Rosedale Bible College on Facebook and follow *rosedalebiblecollege* on Instagram! We'll try to post camper pix every day.

## Send your camper an email!

Families, you can send your camper a message addressed to [choralcamp@rosedale.edu](mailto:choralcamp@rosedale.edu) with your camper's full name in the subject line. We'll deliver the message (but it's a one-way street – campers won't be writing back).
