

GOODBYE, CAMPERS!

A farewell from Erin

Program Coordinator

Well campers, it's time to say farewell for this year! It's been so fun to watch you run, sing, paint, play scatterball, get intense, play the trumpet, and put on your purple shirts. I hope you had a great time at camp this year!

As camp 2021 ends, I want you to remember our theme "Crowned with Love and Mercy;" As followers of Jesus, it's exciting to remember that he brings hope to situations that seem hopeless. Remember that as you go back home!

I (and Spitz the camel) are sad to see you go, but we look forward to seeing you at Choral Camp 2022. See you then!
