## AN EVIL AMONG US IS RISING UP AGAINST SUPER GAMES

By Alyssa Rapp

Can you imagine being so envious of having fun that you would just want to cancel it all for everyone? Well, there's word around camp of a few evil villains that are jealous of all the fun you campers have at the Super Games. This jealousy has led to an evil plot to make a universal law of NO FUN and ENDING SUPER GAMES.. We've heard remarks from Kirk like, "Why do the kids get to have fun in the bouncy houses?" and Erin saying, "No one's allowed to have any fun today at Super Games." Some have even said they caught Jenny and Ken murmuring, "We need a game plan to end super games!"

As soon as this word got around Danae McGaffey proclaimed, "Oh no, what a tragedy!!! We can't have Choral Camp without any Super Games!" So, we've presented this evil plot to the Crew Chiefs: Ellie Blanton and Megan McGaffey, who organize the Super Games. They said, "We must stop the evil that rises against us!!" and their crew rose up alongside them and said, "We WILL let the fun prevail!" They reassured us that they will do everything it takes to have super games, even if it means fighting off this evil act.

So, if you're up for the challenge to defeat these evil sorcerers you must join in with us to stop these villains from committing a terrible crime towards us all. If you see one of these people, Ken, Jenny, Erin, Daniel, or Kirk be sure to tell them the secret code down below, and we might be able to encourage them to keep Super Games around.

*The alleged vilians plotting...*

*Help is on the way!*

The secret code is: "WE MUST LET FUN PREVAIL!!!"
