

## Farewell, Campers!

### *A goodbye word from Megan Program Director*

*Choral Camp 2022 was a smashing success!*

*As this week has come to an end, I've been thinking about all the fun events we did and all the things we accomplished together. We learned a Hebrew song, sang camp songs until our throats hurt, learned to ice skate, sang some hymns, learned a dance, went on a hayride, played a lot of scatterball, and learned all about Ukraine.*

*I have loved watching you all grow in your love for music. I know that if you allow him to, the Lord will direct your steps. May you never stop lifting your voices to praise Him!*

*I look forward to seeing you all next year at Choral Camp 2023!*
