

# Farewell, Campers!

We made it! Choral Camp 2023 week 1 has come to an end! It has been such a joy to watch each and every one of you lift your voices in song, praising our Lord and bringing together Heaven and Earth in such a tangible way.

I hope you never forget our time at camp this week and all the fun we had.

I hope you never lose the joy of praising the Lord in song.

I hope you never forget how loved and held each one of you is by our Creator.

As a wise counselor once said during our bowling excursion: “Bumpers are like Jesus, without them you get gutter balls, but with them you stay in the lane.”

See you all next year!

~Megan McGaffey, Program Director

Did you know that you can go to college on the Choral Camp campus? You can even graduate, like Alayna plans to do! If you've learned to sing really well, you can tour with the Rosedale Chorale. Ask Ken Miller--he's the Chorale director.
