Until Next Year, Campers!

Goodbye Campers!

Wow, what an incredible week of camp! It's amazing that so much music, joy, and growth can fit into such a short length of time. We hope that you remember the monks that slap their faces, the wonderful taste of vegemite, and the faithfulness of God in all circumstances.

Camp may be finished this year, but that doesn't mean we have to stop laughing, learning, and creating. In fact, it can be just the beginning! As we go home, we can keep looking for ways to laugh, learn, and create in our schools, churches, and homes. We can keep being Choral Camp people even outside of Choral Camp!

We can take camp home with us by being Choral Camp people, but it doesn't have to stop there, either. Did you know that in some ways, camp is a little bit like heaven? For those who are part of God's family, we'll get to keep laughing, learning, and creating for longer than we can imagine. If you like those parts of camp, you have a lot to be excited for! Next summer, we'll be back at Choral Camp to practice for Heaven like we did this week. We can't wait to see you there!

Did you know that you can go to college on the Choral Camp campus? You can even graduate, like Jon Luke plans to do! If you've learned to sing really well, you can tour with the Rosedale Chorale. Ask Ken Miller - he's the Chorale director.
