

Rosedale Bible College

Application and Policy Procedure for International Students

The following steps provide a checklist for applying for admission at Rosedale Bible College.

1. The application form is available at our website (<https://rosedale.edu/admissions/>); make sure to scroll down to “International Students”. Complete the application in order to begin the process.

With the application please include:

- a. An application fee of \$95.00 (U.S. funds—*Non Refundable*).
 - b. A transcript from high school.
 - c. Transcripts from any studies beyond high school.
 - c. Verification of English proficiency. This can be a grade report of the applicant’s highest level of study in English, or a letter from an acceptable reference certifying the applicant’s proficiency in English reading, writing and conversation. RBC will also require a one-on-one interview via video call with the Academic Dean
 - d. One reference. The applicant will list one reference and his or her email address on the application for admission, and the college will contact the reference to have him or her complete an online reference.
2. The applicant must provide verification of finances for their time of study here. Financial verification consists of:
 1. A letter and/or affidavit of support from the applicant or a sponsor stating responsibility to pay for all expenses during the period of enrollment, AND
 2. Current bank statements (from the past 6-12 months) from the applicant or a sponsor with enough funds to pay for at least one year of schooling.

The college may also request additional documentation, including one or both of the following:

1. Letter of employment from the sponsor’s employer stating monthly income thereby demonstrating that money will be coming in throughout the year to pay for the applicant’s expenses.
 2. Documentation showing assets, i.e.: investments and property
3. After the application process is completed and the applicant has received a letter of acceptance, a deposit fee equal to 50% of full-time tuition and room and board for one semester is due. The deposit is required before an I-20 will be issued. The applicant will then need to pay a \$350 I-901 fee after the I-20 is issued but before he applies for a visa.

NOTE: If a visa cannot be obtained, the deposit will be refunded in full upon receipt of the original I-20 previously sent.

Work Opportunities: Students on F-1 visas may work only for the school where they are admitted for study. Rosedale Bible College has limited employment.

Other Schooling Options: Sometimes it is very difficult for international students to get a visa to study in the United States. We encourage you to check into opportunities in your country or in your area of the world. Some schools in the U.S. offer online courses. If you are interested in that option, write to the following address for a listing of Bible colleges:
