Until Next Year, Campers!

Goodbye Campers!

This week was truly special. It was filled to the brim with trips to Antarctica, roller skating, so many choir rehearsals, and a song about a bear that can't reach very high. However, none of these activities were enough to make camp special. Not even all of them put together in a single week. Even with all the super games in the world, camp would still be empty without YOU! This week was special because YOU were here laughing, learning, creating, and showing God's love to each other. I hope you were all touched by the love of God through His people this week. I know I was. That's why we will miss you so much, and that's why we can't wait to see you back here next year. We're planning to get together right back here and make another joyful noise to the Lord. See you then!

ROSEDALE
BIBLE COLLEGE

Did you know that you can go to college on the Choral Camp campus? You can even graduate, like Alinea just did! If you've learned to sing really well, you can tour with the Rosedale Chorale. Ask Ken Miller – he's the Chorale director.
